TALKIN DIRTY!

There's nothing I love more than when my friends get together and have really crude conversations about fucking. It makes my cunt so wet when I hear all the juicy details about other people's sex lives.

Mind you, I'm a pretty horny girl when it comes to doing it for real too! That's exactly what happened when I went into town with my flatmate Lucinda to meet up with a girl from work, Fay.

Being one of the 'virtually married' brigade, Fay doesn't come out with us very often but that week, her boyfriend was away on a training course. This provided us with plenty of opportunity to wind her up about how frustrated she must be without a regular spurt of creamy spunk up her fanny. As it turned out though, Fay was doing fine. "I haven't been going without sex at all," she laughed in her notoriously dirty way. "I still get to fuck Richard every night – we just do it on the phone instead of real life. In fact, we had a quickie on my mobile when I was driving here tonight.

I had to pull over into a quiet side street before I crashed into a lamp post. As soon as he started telling me what he wanted to do to me with his tongue, I just couldn't keep my hands on the wheel!"

This pretty much set the tone of the conversation for the rest of the night, as Lucinda and I pumped Fay for all the explicit details. She could hardly believe that two girls who love to talk about sex as much as us had never called up a guy and got him to ring our bell, so to speak. Judging by how horny I was starting to feel though, I was going to be running up a huge bill in the very near future.

I could feel my cunt juices dribbling messily into my knickers when Fay began telling us all the dirty things Richard whispered as she lay on the bed thrusting her dildo hard in and out of her pussy. As her story got hotter and hotter, I excuse myself to the ladies and locked myself in a cubicle.

I pulled down my jeans and frantically thrust my hand inside my creamed-up panties.

Then I pushed my middle finger deep into my butthole and frigged it roughly, no longer caring if anyone heard me. I wish someone could have seen me coming like that, leaning against the cubicle door for support as I rammed my fingers up my arse and hot pink pussy, my cunt cream dripping down my thighs.

It seems I wasn't the only one turned on by Fay's sexploits either. All the way home, Lucinda and I argued playfully over which of us should get to use the phone first. "I need it more than you do," she grinned mischievously, lifting up the hand which I'd forced up my cunt and licking the juice stained fingers. "That's not fair," I told her.

"By the time you've finished rubbing your fanny against the receiver it'd be too late for me to have my turn. We should call up a sex chatline instead so we get to screw some lucky guy together." Lucinda laughed and said it sounded like it could be fun.

When we got back to the flat, we brought the phone into my bedroom, switched it onto speakerphone and turned the lights down low I took off all my clothes and lay down on the bed next to Lucinda, who was also

TRUE CONFESSIONS

SEND YOUR CONFESSIONS TO RAZZLE MAGAZINE AT: CONTACT@PAULRAYMONDMEDIA.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Have you ever had sex in public?

It was never one of my great fantasies to have sex in public, but when it did happen it blew my mind. It was with my boyfriend at the time, a lad called Anthony.

I was seeing him in the summer before we went to university and went our separate ways.

It was a lovely sunny afternoon and we decided to go to our local park. It is basically a large expanse of grass with plenty of flowers and quite a large wooded area.

It's really popular with young people, especially in the summer.

We found a nice spot near the edge of the wooded area and lay down. We had a bit of a kiss and a cuddle and before I knew it I really had the horn. I was lying on my front and my boyfriend was lying next to me rubbing my back. Every time his hand went near my arse I pushed it against him, till eventually he took the hint and started rubbing my arse. I only had a short skirt on, and he traced his fingers up and down the backs of my bare thighs, making me shiver.

Slowly, a little more each time, he traced his fingers up my thigh and inside my skirt, edging them towards the warmth of my pussy. I opened my legs a little, allowing him to rub my pussy through my flimsy panties with the tips of the fingers. He could tell from the moisture on my panties how turned on I was.

The nearest people to us were a couple who were lying down together about fifteen yards away. They seemed not to have noticed us, so I inched my thighs apart a little further. Now Anthony was able to push about half of his finger middle finger inside my juicy hole. My pussy was more sensitive than ever because I was so turned on, and even the gentle motion of half of one his fingers was enough to make me squirm. I couldn't contain a few moans of pleasure.

Suddenly Anthony withdrew his fingers and led me up by the hand. I knew what he had in mind – I'd had the same thought myself. Without a word we left our blanket and bag where they were and slunk past a few bushes into the wooded area. The wooded area was always far less populated than the park itself, but there was always the chance of running into the odd rambler or jogger.

We were too hot to worry about that – in fact, that was what made it such a turn on. Anthony took his T-shirt off and put it on the floor. We kissed and I dragged him down to the floor on top of me. I wrapped my legs around him and ripped his shorts down while he hastily yanked my skirt up around my waist.

His cock was rock hard and as soon as he'd freed it from his boxers he guided it straight into my waiting, soaking cunt. He pushed it in as far as it would go, making me yelp out loud. He was as turned on as me and as he started to fuck me hard and fast he was making quite a bit of noise too

The fact that we could hear people in the nearby park and that we could be caught at any moment was an incredible thrill for us. After a couple of minute of frantic thrusting, Anthony told me, and probably half of the park, that he was ready to cum.

I told him to spunk inside me because I was ready to cum too.

With one final thrust, Anthony buried his cock inside me and flooded me with hot spunk. As he did so I came and my clenching pussy milked his spunk.

We then walked round the wood to the other side of the park and made our way to our blanket. Judging by some of the looks we got, nobody was fooled!

Have you ever had group sex?

Well university is supposed to be a time for learning new things, having new experiences and finding out about yourself isn't it? Well that's my excuse anyway!

It happened after a boozy night out during freshers' week. The halls of residence I was in was holding a karaoke night so everyone had a chance to make a twat out of themselves in front of people

FESSIONS

they'd only just met.

Anyway, I'd already become quite good friends with a girl from my hall called Charlie. We clicked straight away – both nymphomaniacs! We got tarted up, necked a few vodkas and off we went. I'd snogged a couple of blokes already that week, but I had my eye on one lad called Shaun who I'd not had the pleasure of yet.

As the night wore on I eventually cornered him and started chatting him up. We were both pissed and he didn't need much persuasion that his cock needed sucking.

Just as we were leaving Charlie turned and asked if we could walk her home and we agreed.

Shaun was in the middle with us girls on either arm. It was soon clear that Charlie wanted more than to be walked home. I'd already decided I was up for it if she forced the issue, so when she said to Shaun,

"We're going to give you the time of your life, aren't we Juliet?" I said yes and gave them both a wink.

When we got back Charlie said she wanted a shower so Shaun and I went to my room. He lay on the bed and I seductively stripped off in front of him. Then I began unbuttoning his jeans. I tugged them down and a long, thick cock sprang up. I took hold of it by the base and ran my tongue up and down it until the veins were bulging.

Then I took the helmet in my mouth and rolled my tongue round it before opening wide and lowering my head over it, taking his shaft deep in my throat. As I sucked his cock I suddenly felt hot breath on my pussy. Then I felt a tongue dart exquisitely across my pussy lips.

I continued to suck on Shaun's cock, knowing I was about to enjoy being licked out by a girl for the first time. I shuddered and the hair on the back of my neck stood up when Charlie's tongue found my clit.

She licked it expertly, sending waves of pleasure through me.

I tilted my hips backwards, offering her my pussy to do with what she liked. She plated me while reaching her hand under me to tweak my nipples. Then she inserted two fingers into my hole and started to finger me.

Then she instructed Shaun to get up and she manoeuvred me into the sixty-nine position on the bed. I was presented with her pussy and I tentatively tasted it with my tongue. She ground her herself against me and as she sucked my clit I began to lick her out more enthusiastically. As she tongued out my cunt she told Shaun to get behind her and fuck her.

He did as he was told and I had am incredible view of his cock vanishing into her juicy, pink pussy just centimetres away from my face. When he started to slide in and out of her I lapped at her pussy as his cock drove in and out of it. I also flicked out my tongue to lick his balls as they swung above me.

Charlie was such a great cunt licker she had me cumming again and again. I had to wait a while to get some cock, because soon Shaun pulled out of Charlie and shot his load all over her pussy and my face. I eagerly lapped his cum off her pussy lips before taking his cock in my mouth, tasting her juice and his cum.

We spent the rest of the night fucking in every way we could think of. That was my first three-some and my first lezzer experience – but definitely not my last!

what is your favourite sex position?

I just love to take it from behind. Doggystyle is my favourite position, especially if I'm getting it hard and fast. I also like it when a man pulls my hair and talks dirty to me.

I've got a pierced clit so when I'm getting fucked from behind I like to slide a hand down to my pussy and play with my piercing. That always gets me cumming.

The best thing about getting fucked from behind is that if I'm feeling really dirty I can tell the bloke to fuck me up the arse. Then when he slams my butt he can rub my cunt up too.

When I'm taking it up the arse I like it hard and fast too. My fantasy is to have two big hard cocks fucking me at the same time, one pounding my pussy and the other one stretching my arse. I like a bloke to shoot his load up my arse. When spunk is dribbling out of my well-fucked arse, that is when I feel the dirtiest, like a total fucking slut. It's great.

If I'm wearing my long leather boots, as I often do when I'm fucking, I like getting fucked in the missionary position. Then I can wrap my leather-clad legs round the bloke and urge him on to fuck me harder.

I also like to wrap myself around a bloke so he can fuck me up against wall of the nightclub or toilet or wherever I am. This is good with my leather boots on too.

Basically I like being fucked whenever, wherever and however I can. I'm a total cockaholic and I have an incredibly high sex-drive. Unfortunately this means I'm unable to stay faithful to any-one for long – unless they can keep up with my sexual demands, which no-one has been able to yet!

naked.

Noticing that her hands were already busy stroking her horny little clit, I dialled up the Singles Hotline myself while she carried on making herself really hot and creamy.

The first few men we spoke to didn't sound too promising, and I was about ready to try a different number when a guy with a seriously sexy Scottish accent appeared on the line. "Hi girls, I'm Rob," he said "How would you two like to fuck a cock that's harder than Edinburgh rock?"

"Rob, that sounds really great," I purred,

"but you've got to get us all excited first. What would you like to do with us?" Rob was only too keen to play our naughty little game. "Girls, I'm slowly stroking my hands over your big firm tits and playing with your nipples until they're really hard – do you like that? Oh yes... from the way I hear you groaning I can tell that you do. Now I'm sliding my hands lower, down past your cunt hair and between your legs. Would you like me to slide my fingers past those pink pussy lips and push them right up inside you? You're so wet I don't think you want me to stop."

As Rob talked to us, Lucinda and I lay gasping and writhing against one another on the bed, fingering our sticky cuntholes At first we watched one another as we frantically masturbated but before long Lucinda and I were kissing as she stroked my juice soaked cunt lips.

I don't know many other girls that I want to fuck, but Lucinda is just so cute I can never resist the urge to slither my tongue deep inside her hot juicy snatch. This time she wanted to be in control. She straddled me with her legs so her pussy was in line with mine and began rubbing herself against my swollen clit, soaking me with her creamy wetness. "We're going to make this threesome a little bit hotter for you now, Rob," she said "I know you'd love to see two girls getting really dirty together.

I bet you want to watch me giving Elle a good fanny licking while you spunk your creamy come in her mouth. Isn't that right, Rob?"

It certainly was! I could hear Rob panting and the sound of his fist as it frantically pumped his hard cock. "Not so fast, baby,"

I said. "You can't come yet – I haven't even started sucking off that gorgeous stiff prick of yours. I want you to cover my tongue in your hot white spunk." But it was too late.

We heard Rob groan in ecstasy as his cock spurted its load, and then his line went dead. What the hell were we going to do now?

Knowing I never like to miss out on a good cock sucking session, Lucinda thought it would be great fun to tease me a little. "Don't worry Elle," she grinned wickedly. "Now Rob's had enough of our fantasy, I guess we'd better find someone who can do it for real."

Stroking my sticky fanny lips with one hand, she reached for the phone with the other and dialled a number. "I need you right now," she whispered seductively into the receiver. "I've got a friend here who I think you might be able to help out. But she's got to practise her tongue on me first."

Before I could begin to laugh, she parted her thighs over my face and thrust her pussy into my welcoming open mouth.

Grasping her gorgeous firm arse cheeks I pulled her towards me

even harder so I could feel her wetness sliding all over face.

My tongue easily parted her creamy cunt flaps and slid deeply up her delicious little honeypot, making her gasp and writhe with pleasure. She rode my tongue like it was a cock, grinding her pussy faster and faster against my face until I felt her coming, her hot little cunthole throbbing juicily on my lips.

Still gasping for breath, Lucinda slid off my pussy-soaked face and pulled me onto the carpet. She

forced me up onto my knees, then reached for one of my silk bondage ties and blindfolded me with it.

"He's going to be here any minute," she said mischievously. "I don't want to spoil your fantasy of sucking off a stranger's cock."

I gasped as she began probing my clit with her long, soft tongue. As she sucked my juicy little button, I could feel something hard and smooth being eased up my pussyhole. I moaned in pleasure as I felt my cunt lips stretching around it, instantly recognising my favourite dildo.

Reaching down, I put my hand over Lucinda's to force the vibrator as deep inside me as it would go, and together we began thrusting it in and out of my hot, slippery fanny. I was in such uncontrollable ecstasy that I never even heard the door open.

"That's just for starters," she whispered.

"I know there's something you'd like to suck even more." She guided my head forward until I felt something unmistakably warm and stiff pressing eagerly against my lips. Until this point, I really thought she'd been winding me up, and you can imagine that Lucinda had to grab my hands to stop me ripping off the blindfold.

"Don't stop now Elle," she said. "I'd really love to watch you sucking a gorgeous hard cock. And I know how much you want to taste the creamy spunk spurting into your mouth." As she spoke, I felt a drop of sticky pre-come dribble from the tip of the cock onto my lips, and my cunt flooded once again.

Unable to control my lust any longer, I parted my lips and my mystery man pushed the length of his cock deep into my mouth. Grasping the base with one hand, I slowly pumped his thick shaft in and out as I teased my tongue across the tip of his swelling cock. As I felt him grow harder, I began sucking him off, licking faster and faster as I caressed his heavy balls.

Meanwhile, Lucinda resumed the good work between my legs, rubbing and licking my clit until I was groaning so much I almost lost my rhythm.

The cock in my mouth was really big now, and its salty pre-come dribbled deliciously onto my tongue as I sucked deeply on the glans. Then I felt the man's hands grasp the back of my head as he began fucking my mouth with his huge stiffy, grunting in satisfaction as he rammed it in and out.

With one final thrust, his cock cream spurted into my hungry little mouth. Greedily I swallowed as much as I could, but I could feel his juices overflowing from my lips and dribbling down onto my breasts. Lucinda licked the come off my nipples as we collapsed together on the floor, still panting with excitement.

THE XXX MOVIES THAT SHOOT OUT INTO YOUR FRONT ROOM

Fuck-tastic

4/5

HE LOVES ME IN STOCKINGS AND HEELS

Starring: Britney Amber, Aaliyah Love, Alexa Grace, Ella Nova, Elsa Jean.

Yes, that's rather a long title – we had to go some to squish the title in above. Honestly, what are these porno companies thinking of? Mind you, once you get past the overlong title and think about what it means, you can't really argue with the premise, because while the girls on display in this flick would all look pretty irresistible even without their stockings and heels one, once they have kitted up they are a wonder to behold! Alexa Grace kicks things off, lounging about in her boudoir admiring her stocking-clad pins before her fella rolls up and, well, loves her. There's nothing too outlandish about the shagging, but he does look like the cat that got the cream after he's popped over her tum.

Cover babe Britney slinks down the stairs for her fella and treats him to a very satisfactory bunk-up on the sofa, her old school furry snizz finally getting a proper appearance when he drops his load all over it. To be honest, with an asset like that it seems a shame not to have seen a bit more of it, but there you go. There's a bit more fur to come, too, with Aaliyah and Ella both sporting bushes of sorts, making this a nicely old-fashioned and rather glamorous offering for couples.
